

USER STORIES : SPRINT 02

1. As a patient, I want to book an appointment by selecting a clinic, date, and time so that I can schedule a visit conveniently.
2. As a patient, I want to receive a booking confirmation so that I know my appointment has been successfully scheduled.
3. As a patient, I want to view my booked appointments on a dashboard so that I can keep track of my upcoming visits.
4. As a patient, I want to click on a clinic from a map to view details and book so that I can easily choose a nearby clinic.
5. As a patient, I want to cancel my appointment so that I can free up my slot if I'm unavailable.
6. As a new staff member, I want to register myself on the system so that I can be reviewed and accepted to work at a clinic.
7. As an admin, I want to add or remove staff members so that I can manage clinic personnel effectively.

USER ACCEPTANCE TESTS

1. Given I am a patient, when I select a clinic, date, and time and confirm, then my appointment is successfully created.
2. Given I am a patient, when I complete a booking, then I receive a confirmation message.
3. Given I am a patient, when I view my dashboard, then I can see my upcoming appointments with details.
4. Given I am a patient, when I click on a clinic on the map, then I can view its details and book an appointment.
5. Given I am a patient, when I cancel an appointment, then it is removed and the time slot becomes available.
6. Given I am a new staff member, when I submit my registration details, then my application is recorded and pending approval.
7. Given I am an admin, when I add or remove a staff member, then the staff list is updated accordingly.

- 1) As a patient, I want to book an appointment by selecting a clinic, date, and time, so that I can schedule a visit conveniently.
